

Over the years we have found that the average wedding hosts 125 guests, which means Brides and Grooms typically invest in about 50 invitations for their big day so following cost estimates are based on a quantity of 50 invitations. In addition to the cost estimates below, don't forget to leave extra room in your budget for postage and design fees. Our design fees start at \$300 and increase with the complexity of your invitation requests.

INVITATION PRINTING

(Does not include the \$100 deposit and \$100 design fee or assembly fee. Those are based on complexity of design)
